IN NEED-BASED FINANCIAL AID  
AWARDED IN 2022-23

#### ■ FINANCIAL AID:

Northwestern meets 100 percent of demonstrated financial need for all admitted students and does so with loan-free financial aid packaging. A very limited amount of need-based financial aid is available to international students. All students must complete the Free Application for Federal Student Aid (FAFSA) and the CSS Profile to apply for financial aid.

#### ■ FIRST-YEAR APPLICATION PROCESS

Students can apply through the Common Application or the Coalition Application with Scoir. We are also a QuestBridge partner school; students can apply through QuestBridge whether or not they participate in the National Match process.

#### ■ EARLY DECISION

Applicants to our Early Decision admission round agree to withdraw all applications at other colleges and enroll at Northwestern if admitted. Given early applicants' high level of interest and the high concentration of academic and personal strengths represented across the early applicant pool, our Early Decision acceptance rate is typically higher than that of Regular Decision.

#### ■ STANDARDIZED TESTING POLICY

Northwestern adopted a test-optional policy in 2020 and remains test-optional for students applying for fall 2024. Consequently, we are not including testing data on our profile this year. A decision about our testing policy for future cycles will be announced by early 2024.
